NOTE TO OUR MOST VALUED CUSTOMERS:

We would like to take this opportunity to thank you all for your custom previously, but mostly to thank you for your support over the pandemic period. It's been tough on all of us, but we're still here and are thankful for that.

We have like most others revised our Covid Policy now that restrictions have been lifted by the Government, and we look forward to welcoming you back mask free!

However, if you feel more comfortable still wearing one then please do, and we are as a matter of course still going to continue observing the 'space' rule as I think we've all become accustomed to this.

Thanks again from all the team at Delamere Motors.
